

UNDERFLOOR UNITS

Underfloor units – for rooms with floor to ceiling glazing

- Ideal for offices
- Suitable also for low rooms
- Supply air discharge near an external wall prevents a drop in the room air temperature near that wall when the outdoor temperature is low
- Minimises the effect of solar gain in summer
- Unobtrusive units

FIND OUT MORE

Would you like to know more about decentralised ventilation? Here's more information, ready for download:

- Façade ventilation systems for new and refurbished offices, schools and children's daycare facilities (brochure)
- Variety at a glance (overview)

The brochure gives you all the background information, while the overview helps you select the unit that best meets your requirements.
