

FACILITY MANAGEMENT

TECHNICAL SERVICE

EFFICIENCY AND RELIABILITY

As a facility manager, your objective is to manage buildings the best way possible. You have the demanding task of combining technical concerns with commercial aspects.

TROX supports you in providing high system availability with a fast spare parts service at low costs.

And in case of any problems? Faults requiring on-site service assignments can never be ruled out, not even with the most advanced technology. If a fault occurs in our TROX products and systems within or outside the warranty period, our Technical Service Team is there to assist, quickly and competently.
