***UPDATE* The fair will open as planned! *UPDATE**

We would like to inform you about an incident that occurred at our stand during the night of 12 March, 2023 at the ISH Fair Frankfurt.

Considerable property damage was caused. Fortunately, no person was injured.

Together with the Frankfurt fair, the exact circumstances of the incident are currently still under investigation. We are all working at full speed to determine the cause and take appropriate action to ensure that our trade fair operations can commence as planned.

We are in close contact with all parties involved and will inform about further progress.

Our highest priority is the safety and well-being of our customers, visitors and employees.

We would like to thank everyone involved for their understanding and support and apologize for any inconvenience caused.

For further information, please do not hesitate to contact us.
