TROX offers comprehensive system solutions from a single source – for each type of building, whether new or refurbishment, and for each class of usage.

At ISH Aircontec you will experience exciting premieres:

- › A complete comfort air conditioning system including live overall control
- › Innovative decentralised ventilation solutions
- › Intelligent systems for residential buildings
- › Ultra safe smoke extract systems

Allow yourself to be inspired.

We look forward to seeing you!

Your TROX Team

[More informations](#)

TROX is leading in the development, manufacture and sale of components, units and systems for the ventilation and air conditioning of rooms. With 30 subsidiary companies in 30 countries on 5 continents, 14 production facilities, and importers and representatives, TROX is present in over 70 countries. Founded in 1951 and with a total of 3,700 employees, TROX generated in 2013 around the globe sales of €416 million.
