

TROX AT THE ISH 2023

overview

date	rubric
06.03.2023	company / press / Roadshow

Need to take a deep breath in the hustle and bustle of the ISH exhibition halls? That's only possible with TROX!

TROX brings fresh air to Frankfurt and presents new developments in system solutions. We have turned our vision into reality: safety, innovation, sustainability - fresh air for everyone, in every room, in every place.

Come and experience the new generation of ventilation technology and visit TROX from 13 to 17 March at the ISH Frankfurt in Hall 8.0, Stand 69. The trade fair team from Sales, Consulting and Product Development welcomes you on almost 600 square metres, with plenty of space for fascinating experiences, trend-setting innovation and personal encounters and discussions.

On two floors, you will have a full overview of all products and services and learn everything about TROX highlights and innovations: TROX is your host at the ISH 2023!
