

X-GRILLE MODULAR

X-GRILLE modular is a standardised aluminium ventilation grille that can be used to meet almost any requirements profile. It offers you individual configurations of frames, grille cores and attachments in individual colours and sizes - all according to your requirements.

DESIGN YOUR OWN X-GRILLE MODULAR VERSION NOW.

ADVANTAGES AT A GLANCE

- Freely configurable design for every application
- Intuitive 3D configurator
- Continuous linear arrangement if required
- Five different assembly options
- Suitable for supply and extract air
- Various attachments, e.g. flow adjustment damper
- Meets the hygiene requirements of VDI 6022

ONE PRODUCT – MANY SOLUTIONS

JUST GREAT - SEE FOR YOURSELF

AN ALUMINIUM VENTILATION GRILLE FOR ALL CASES

Have a look at the many different configuration options.

NEW CONCEALED SCREW FIXINGS

Thanks to five different fixing variants, the X-GRILLE modular is suitable **for all standard wall constructions**.

With the concealed screw fixing, you can install the X-GRILLE modular quickly and safely.

PROVEN DESIGN REMAINS

► For all cases – these types are all replaced by the X-GRILLE modular ►
